

Moving up the rankings

The Bingham Marching Band was away from home for a while, competing in St. George after a few days in Southern California.

It was an important state event. Bingham finished in third place among Utah schools – fifth overall here – but was ahead of nemesis Sky View. This fact put a big smile on a lot of faces.

This event attracted 36 schools from Utah, Nevada, California and Idaho. The early November weather was also a big hit for everyone.

Red Rocks Invitational

At Dixie State College, St. George
Friday, Nov. 2, 2012
