Coach Bailey Santisteven

A LONGTIME BINGHAM FACULTY MEMBER, he was known for his success as a baseball coach. However, he was also credited with leading the revival of Bingham's football program after the school stopped playing from 1911-25. Santisteven won four football state titles. He died in 1954, but has never been forgotten. For example, he was featured in a *Sports Illustrated* article in 1999.

HE COACHED FOR EIGHT SEASONS at Bingham and had some good success after replacing a school legend. Schick eventually left Bingham to go into administration and became the principal at nearby Hillcrest High. Schick served there until 1987 and was so popular the school named its football field after him. He is a member of the Utah Sports Hall of Fame and died in 2001.

BINGHAM FOOTBALL: Record book

Coach Steve Dangerfield

AN ALL-STATE FOOTBALL pick at Olympus High, he was known for his academic prowess at BYU. He was early in his career when took over as Bingham's coach for two seasons. He had a difficult time winning games here, but later moved on to Viewmont and Brighton, where he won state championships at both of those schools. Dangerfield's duties in the Utah National Guard forced him out of coaching and he eventually moved into administration.

Coach Jerry Fiat

A CHICAGO NATIVE, he played football at Iowa State and earned his Masters degree at BYU. He came to Bingham after serving as an assistant football coach at Hillcrest. In his first year, he led Bingham to the 4A state semifinals and was responsible for starting the weight-training program. Later, he had to deal with the school's split, which created West Jordan HS. Fiat left Bingham to become a counselor at Park City HS and retired in 2008. He and his wife currently live in Holladay.

Coach Dave Peck

COACH PECK LEFT HIS ALMA

MATER, Cyprus, to become a teacher and coach at Bingham and is now easily the most successful football mentor here in school history. He has led the Miners to four state championships since coming to Bingham in 2000. Besides preaching about winning, he has also persuaded Bingham's players to pursue success in the classroom and other ways.

Coach Peck was an all-state defensive back in high school and went on to earn a college scholarship at Southern Utah. Since then, he has had success teaching and coaching teams in Grace (Idaho), North Sanpete, Cyprus and, of course, right here. Coach Peck is married and the father of four children, some of whom have played football and left their marks in the record book at Bingham.
