

Tyler White jockeyes for position against a Brighton player.

Chris Severson (No. 8) takes a pass from Jordan Shumway.

March 20 – Brighton 10, Bingham 8

Story of the game: Cole Christensen had a nice game with two goals and a pair of assists, but the Miners fell behind early and couldn't quite catch up, losing a tough match at the school's football stadium.

Bingham's highlights: The Miners were shell-shocked from the start, but rallied to make this a great match. Peter Tschaggeny joined Christensen to provide some nice passing as Bingham had six assists on its eight goals. Chase Newton, Jordan Shumway, Nick Smith, Mike Jones and Chris Severson added goals for Bingham, which rallied to come within one goal late in the match.

Statistical notes: Aaron Hansen spent the entire game in goal and turned away six shots. Each team had 16 shots on goal, but the visitors made the most of theirs.

What we learned from this match: This was a great game to watch, even though the outcome wasn't. Bingham gave the eventual state champs a good match, and that impressed coach Heaton and his staff.

Coach Heaton's comments: *"Everyone knew they (Brighton) were going to be good. We kind of lost it in the first quarter. The rest of the game we dug in deep and the guys played hard. We could have pulled out the win. We had our chances. I think that's where we found out we can play against a lot of good teams."*

Jordan Shumway moves downfield, slightly trailing the ball.
