A CHAMPIONSHIP SEASON

The Brighton girls soccer team wasn't expected to win the 5A title this year. In fact, the team didn't even win its region. However, the Bengals came on when it counted, downed Viewmont and the rest is history. To read and see it all, start here on **PAGES 4-5**

THE SEASON IN PICTURES

There are more than 100 different photographs in the 2013 Brighton girls soccer yearbook, and we tried to get at least one of every girl on the team. They can be found playing, cheering and smiling, but during a long season of soccer, virtually every emotion is shown at one time or another. Photos are on virtually every page, but the best may be on **PAGES 30-31**.

SOCCER MAKES ITS MARK ON SENIORS

There were nine seniors on Brighton's roster this year. Much of their lives were filled with soccer, and their successes made their parents proud. To view what their folks thought of them, see **PAGES 38-48**.

ON THE COVER

Brighton players celebrate immediately after winning the 5A championship at Rio Tinto Stadium in Sandy.
