

### #0 Tamaryn Braun

Daughter of Dave and Michelle Braun. Tamaryn played 4 years at Brighton as goalkeeper. She planned on attending the University of Utah, and also study abroad. In her free time, she liked to travel, go shopping, and hang out with her friends and family.

Tamaryn was the starting goalkeeper for the six-time state champions - Sparta United Premier. Her academic accomplishments and interests in business and international travel overshadowed her soccer career. But through soccer, she learned to overcome diversity, perseverance and the importance of teamwork. Her main goal for her senior year was to achieve a couple more state titles and create memories.
