## A GOOD YEAR, BUT NOT QUITE GREAT

At one point, the Mountain View Mavericks were 3-3 and facing an uncertain future. However, the team came back. They saved their best football for the last three games. Unfortunately, it wasn't enough to make the 5A playoffs, but they may have been the best in the state at the end.

FOR DETAILS, see PAGES 4-5

## SENIORS' FINAL YEAR IS A GOOD ONE

There were just 17 seniors on Mountain View's 2012 football roster, and all played roles in the Mavericks' success. On Oct. 19, the team played one of the area's best teams – Eagle – on "Senior Night" and dominated. Prior to the game, the players gathered with family. SEE THEIR PICTURES on PAGES 26-27

## COLLIN SALE: HE DID IT ALL

Senior Collin Sale had a lot of talent, and not just in football. Besides playing several different positions, he also had success wrestling and in baseball.

SEE HIS PROFILE on PAGES 38-39.

## CONGRATULATIONS TO THE 2012 MOUNTAIN VIEW HIGH SCHOOL FOOTBALL PROGRAM!

I enjoyed watching the many exciting moments that each team had. I especially enjoyed watching the relationships of our players grow. I hope you all can look back and reflect on the good times you had during the 2012 season.

The varsity team record of 6-3 is something of which to be very proud! Our offense and defense really hit their rhythm in the last three weeks. It was impressive to watch our kids work so hard together in their impressive wins against Centennial, Eagle and Vallivue. I hope that each player can look back and remember their own contributions to the success of the season no matter how in the spotlight or not their individual role

was. As coaches and players know, it takes everyone involved to have a successful season. Everyone's role is important and valued!

Parents and boosters: I would also like to thank you for your support with the football program. Your time, energy, and support do not go unnoticed by the school administration, coaches, and players. Your contributions are part of what makes the Maverick football experience so nice for our boys. The dedication you showed with helping replace much of the sod on the field, painting the field every week, and planning multiple events around the year are impressive. We thank you!

**Congratulations on a very successful 2012 season!**
