**Best memories of the season:**

When we won the state championship game against Layton because it felt super, super good. The bus ride home and when Ger(ika) gave us the “gold speech.”

**Other sports memories:**

Dixie is always really fun. I really love clogging the waterslide or the way fun all-star games, being back-to-back region champions. I rocked at gymnastics until I was too tall.

**Other activities outside of high school:**

Best buddies, young women’s group. I’m extremely into knitting. I knit every day.

**Plans after high school:**

I have no idea (later, she accepted a scholarship to play at Snow College).

**Coach Ence’s comments:** “Although undersized for a post, she was extremely effective inside, scoring and drawing fouls. She led the team in scoring and rebounding in both her junior and senior seasons. She added the ability to hit the outside jumper and drive to the basket this year. Overall, she had a great career as a three-year starter, and was a two-time all-state selection”

# Rachel McDougal

**Best memories of the season:**

When we won state. The whole (championship) game. It was a great way to go out with a bang, and playing with my sister. Way fun!

**Other sports memories:**

When I accidentally spanked a girl at the Dixie summer camp.

**Other activities outside of high school:**

A Capella choir, piano (I’m a ward organist), work at Chillz (a family business), Young Women’s group.

**Plans after high school:**

Attending BYU on an academic scholarship and having tons of fun.

**Coach Ence’s comments:** “I have rarely seen a kid so committed to improving as Rachel. The label ‘blue collar player’ fits her just fine. She could out work about anyone on the team. I am grateful she filled the role she did this season and never complained. She pushed herself daily to be a better player, and pushed her teammates to be better. She sang the National Anthem at the state championship game. Had a crazy laugh, and a good attitude.”
