

## Sept. 10 – Skyline 4, Olympus 1

**Story of the game:** Emma Heyn scored two goals, and Holly Daugirda and Jaslyn Masina each had one to lead Skyline past its rival for its third straight Region 7 victory

**Skyline’s highlights:** Playing an evening game on Oly’s still new artificial-turf field, the outcome was still in doubt as Skyline took a 2-1 lead into halftime. The defense dominated after that.

**Oly’s highlights:** Ashley Cardozo gave the Titans some first-half momentum with her team’s only goal.

**Statistical notes:** The Eagles won another tough road game – and this was the team’s first this season on turf. This was Heyn’s second time so far this season scoring a pair of goals.

**What we learned from this game:** This was Skyline’s fourth straight Win against its neighborhood rival and continued the Eagles on a path for An important rematch against Timpanogos.

**Coach Castillo’s comments:** *We had to find a similar field like Olympus’ to practice and prepare. Both teams benefited from penalty kicks to keep the score even in the first half. Speed at front and amazing play in the middle kept the ball at the other end of the field. The few chances the Titan girls had were denied by our solid defense.*

Emma Heyn

## Sept. 12 – Skyline 7, Orem 0

**Story of the game:** Holly Daugirda scored a career-high four goals and Cate Christensen and Jaslyn Masina each found the net as Skyline dominated Orem.

**Skyline’s highlights:** The Eagles had one of their most-dominating wins so far this season. Daugirda had a game she’ll remember the rest of her life. Rachel Gordon keyed a couple of Skyline’s scores with a pair of assists.

Daugirda

**Orem’s highlights:** The Tigers were coming off a 1-0 loss to their rival – Mountain View – and suffered another shutout. 2-0 Offense was Orem’s problem all year as the team scored just six goals 3-0 all season.

**Statistical notes:** Skyline tied its season-high scoring total in a game so far. Daugirda’s big day made her 4A’s individual leading scorer. The loss was Orem’s eighth straight and the Tigers didn’t win another the rest of the season.

**What we learned from this game:** The outcome was never in doubt and Orem had one of the worst seasons of any 4A team. Just a sophomore, Daugirda has already made a name for herself.

**Coach Castillo’s comments:** *This was another game in which the full varsity team could play. Our confidence grew; we were ranked second in the state (4A). Now we could turn our focus to the second half of the season.*

Holly Daugirda
