

## Sept. 24 – Skyline 4, Corner Canyon 1

**Story of the game:** Holly Daugirda scored a pair of goals as Skyline avoided a letdown and remained tied for first place.

**Skyline’s highlights:** The Eagles crashed the net early and scored three times before halftime. Jaslyn Masina and Zoe Moses had Skyline’s other goals. This was Skyline’s first time playing on Corner Canyon’s field and kept its No. 1 status in the state 4A rankings.

**Corner Canyon’s highlights:** The Chargers were coming off perhaps their best games of the season, with wins over Murray and Olympus. Bayley Bruner’s first-half goal gave the team some hope, but it wasn’t enough.

**Statistical notes:** Skyline’s first-half effort eliminated Corner Canyon’s momentum. Daugirda scored after being silenced the last two games. With the exception of Timpanogos, no region opponent has scored more than once in any game.

**What we learned from this game:** The Eagles continued their winning ways with just three games left in the regular season.

**Coach Castillo’s comments:** *The improved team made us earn our goals in the first half. Being ranked No. 1 forced us to play better because everybody wanted to beat us.*

Jaslyn Masina takes instructions from coaches Yamil Castillo and Rob Heyn.

## Oct. 1 – Skyline 3, Mountain View 0

**Story of the game:** Holly Daugirda, Rachel Gordon and Emma Heyn scored goals to lift Skyline past Mountain View in a Region 7 match.

**Skyline’s highlights:** The Eagles led just 1-0 at halftime but quickly put the game away after that to remain undefeated on its home field with just “Senior Night” remaining. Hillary Weixler and the defensive network of players posted another shutout.

**Mountain View’s highlights:** The Bruins saw their three-game winning streak end, but remained in a battle for a playoff spot. Leading scorer Alecia Robinson was silenced – a rarity for her during this half of the year.

**Statistical notes:** This was Skyline’s sixth shutout, and the start of what would be five consecutive, which helped put Weixler on the all-state team. This was Gordon’s first goal of the season.

**What we learned from this game:** With the Eagles being ranked No. 1 among 4A schools, they play every game with a target on their backs and get every opponent’s best efforts. Still, Skyline survived – this time by increasing its aggressiveness in the second half.

**Coach Castillo’s comments:** *Our goalkeeper played a solid game. Our defense came up big today by turning the forwards away. Our midfielders and front line had a good day in capitalizing on the mistakes by the other team.*
